By this petition the order passed by the Caste Scrutiny Committee on 16.3.1999 is challenged. The delay of seven years is sought to be explained on auspicious case that no action was taken even though the certification

was invalidated. Apart from that a contention is raised that the Committee did not have jurisdiction to consider validity of the certificate. All these contentions ought to have been raised immediately or within reasonable time of the impugned order. Since that is not done we see no reason to interfere. Petition rejected.
